

SAWA CLEAN

SC-145GAE

Ultrasonic Squeegee Cleaner

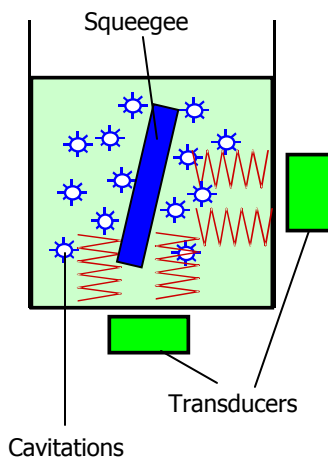

Tank
SC-145A

Generator
SC-5000-62T

►► Perfect Solution for Lead Free Solder Pastes!!

【Synchronous Ultrasonic Effect】

•X-axis and Y-axis of Ultrasonic waves are synthesized in the tank working with the solvent to maximize cleaning ability.

【Easy Operation】

•Place the objects that need cleaning in the tank, set the timer and then press the start button. It's that simple!!

【Compatible with Sawa Fully Automatic】

•If used with SAWA's automatic stencil cleaners, there is no need to purchase the generator.

【Multiple Usages】

•Not only for squeegees, it can be used for other tools such as scrapers, spatulas and misprinted PCBs.

SPECIFICATIONS

Product	Cleaner Tank
Model No.	SC-145A
Outside Dimension	W 660 D 295 H 240 mm
Tank Size	W 620 D 180 H 160 mm
Cord	1.8 m
Weight	11 kg
Solvent Capacity	13 liters

Product	Cleaner Generator
Model No.	SC-5000-62T
Outside Dimension	W 255 D 360 H 161 mm
AC Cord	1.8 m
Weight	12 kg
Power	AC 100, 110, 120, 220, 240 V 50/60 Hz 310 W
